Advising Info

Here's what you need to know:

Academic Planning is ESSENTIAL for timely graduation.

Grades of 'C-' or better are required for pre-requisite & required courses in majors, minors, and for all university core requirements. 2.0 cumulative GPA is required to graduation from MSU.

Plan for pre-requisites; they are enforced:

- You can see pre-requisites in DegreeWorks or in the online course catalog
- The computer WILL NOT let you register for a course for which you don't have the pre-requisite.

Key Management Pre-Req Sequences:

*BMGT 335 → BMGT 366 → BMGT 466

*BFIN 322, BMKT 325, BMGT 335, BMIS 312, BGEN 361 & BMGT 322 → BGEN 499

You get electives; use them wisely! Recommended electives:

Interdisciplinary Electives:

- 9 credits outside of business, economics & agriculture business
- Can be any level (100-400)
- Must be in addition to University Core
- Use DegreeWorks to track your progress
- Don't leave them until your senior year!

Advisor Approved Electives: Management students need one advisor approved elective. 3 credits, upper-division (300-400 level), career related, approved by advisor, and cannot double count with university core.

120 total credits are required to graduate from MSU (in any major). Use DegreeWorks to count your credits. Most Business majors need a handful of **free electives to reach 120 total credits.**

Jabs Advising FAQs:
