Name, Title/Affiliation
What does economic development at MSU mean to you?

1:30 PM—Economic Development Council Mission Statement

The Economic Development Council will guide Montana State University's economic development efforts. The goal of these efforts is to fulfill a key element of Montana State's land grant mission by providing service and outreach to support and grow our state's economy in an equitable, sustainable way. The Council will provide strategic advice and partnership to the core economic development team to complete those efforts.
